Return tokens to your futurefoods distributor or send to

NEW ZEALAND futurefoods, 61 Factory Road, Brightwater, Nelson 7022
 AUSTRALIA futurefoods, C/- Arncliffe Freezers, 51-53 Bourke Rd, Alexandria, NSW 2015

futurefoods is committed to providing healthier choices and quality, affordable food products to your school canteen through our network of knowledgeable, service orientated distributors.

SCIP is designed to turn the canteen supplies you purchase into cash for the benefit of the canteen or school as a whole. It's our way of saying thanks for your support.

Each token found inside or printed on cartons of futurefoods product is worth 20c + GST. Use a futurefoods SCIP bag to collect tokens; when the bag is full or at the end of the term return the tokens to futurefoods. Don't forget to write your school name and distributors name on the bag! You don't need to count the tokens.

Once tokens have been returned to futurefoods we will count them and send you a cheque to spend on equipment for the canteen or school. There is no time limit, no catches, no pressure to purchase or accounting problems. All you need to do is fill out the registration form and get collecting!

Please refer to:

www.futurefoods.co.nz/futurefoods/T&C.htm for full terms & conditions.
